

A Unique Shopping Experience

NOVEMBER 3-6, 2016

Overland Park Convention Center

Questions for **ARTISAN** REQUIREMENTS

Promote your handmade products through this year's **ARTISAN PRODUCTS** feature. We're looking for new makers to feature on the show website and through social media. We'll also be promoting this feature through paid TV, radio and print advertising. Selected products will be given a "Artisan Products" floor decal to be placed in front of their booth. Please fill out and send the below form to **bev@MPEshows.com** along with a product image and short product description. **Submission deadline is September 28.**

1. Is your product handmade by you? If not, is it locally produced?

2. What makes your product high-quality or distinctive?

3. Are your products mass-produced or made in limited quantities?

4. Is your product produced out of special or recycled material?
